“good sound” !

1924~
Radio receiving sets
Gramophones

1930~
Transformers

Development of
transformers

Electronic Components

1956~ Power supplies
1956~ Current Sensors
1994~ Piezoelectric
transformers
2008~ LED products

Development of
soldering technology

Electronic Chemicals / FA Systems

1956~ Flux
1957~ Solder paste
1961~ Resist ink
1968~ Soldering systems

Development of
**Information &
Communication
technology**

Information Equipment

1961~ Audio mixing
console
1976~ Transmission
monitoring device
